

JUNE 11-15, 2018 FOREST TO THE SEA SUMMER DAY CAMP

Join Stewards of the Coast and Redwoods for an exciting week-long summer program combining learning & play in the outdoors! Children get to explore nature, make new friends, do arts & crafts, and experience a night of tent camping at Bullfrog Pond Campground. Activities take place in a different park each day: students will visit Armstrong Redwoods, Sonoma Coast, and Austin Creek.

Scholarships available. Guerneville students & children are encouraged to apply!
