- I. Welcomes and introduction of Kimberly and volunteers. (10-15 minutes)
- II. Michele with park closure and Stewards updates. (5 minutes)  
Michele reported the following:
  - *Armstrong Redwoods and Austin Creek are opening for those who can walk or bike to the park only. Those who have an ADA placard who live local can call (707) 869-2015 to let staff know they are coming and then check-in at the kiosk about where to park. No other parking or restrooms are open. Armstrong Wood Road will also have no parking available. Sonoma Coast beaches remain closed.*
  - *Stewards staff are mostly working remotely, sometimes in the office and operations staff have been working in the parks on maintenance projects. We did furlough staff for two weeks until we got the SBA Payroll Protection Program Loan.*
- III. Check-ins (30-40 minutes):
  - How are you doing and how can Stewards support you during this time? *Please check the eNewsletter for regular updates.*
  - What would it take to reopen the VC's? Plexiglass, PPE, limit numbers? - ANNIE
  - What are volunteer's concerns? *Is there a way we could block off the entrance to the visitor centers and have a walk-up style service, or limit the number of people who enter at one time? Will masks need to be worn at all times? Health concerns mean that some folks won't be able to start as soon as everyone else.*
  - Facility issues and changes.
  - Opportunities for expanded learning or engagement? *We can share resources such as <https://www.zooniverse.org/> . Table discussion for next meeting.*
  - How frequently should we meet/check-in? *Table discussion for next meeting.*
- IV. Plan next meeting date (5 mins) *TBD, in 2 weeks from now.*
